The Silver Club is a powerful resource group within the CSA. Its members have been working in the shipping industry for more than 25 years, and have been active members of the CSA.

THE  
SILVER  
CLUB

An Association such as the Caribbean Shipping Association is no more than the quality of its membership. And it is the duty of the Association to harness the human resources in its membership to achieve common goal. It is against this background that the proposal for establishment of the CSA Silver Club was accepted by the General Council at its 1993 Semi-Annual meeting. The Silver Club became a reality in October 1995.

THE CSA SILVER CLUB has a developmental role. It functions as an effective sounding board for planning development thrusts and strategies. It plays a “watchdog” role with respect to issues, trends and developments affecting the industry region-wide. The Club is therefore a vital resource group for the Caribbean Shipping Association and the shipping industry of the Caribbean region.

THE CSA SILVER CLUB is an initiative designed to harness the wisdom of the most experienced members of the Caribbean Shipping Association, in the service of the shipping industry and the peoples of the Caribbean region.

If you are an active member of the CSA and have been working in the shipping industry for at least 25 years, you are invited to apply for membership in the Silver Club Club.

Please fill in the application form and send, along with a detailed curriculum vitae to the CSA Secretariat (see address overleaf).
